Change of Information 84

PREFACE

The 2025 edition of the Pennsylvania Alcohol Highway Safety Program Directory is published solely to provide organizations in the Commonwealth of Pennsylvania with current information about the County DUI Programs. The compilation of data was accomplished informally and discrepancies may exist with respect to costs of services and names of key personnel. Future editions will reflect corrections provided to the Pennsylvania DUI Association.

Publication of this edition of the DUI Directory occurred as a cooperative effort between the Pennsylvania DUI Association and the Pennsylvania Department of Transportation, Program Services Unit, Impaired Driving Programs.

The Directory will be updated yearly. Any corrections or errors should be reported to the Pennsylvania DUI Association using the form provided at the back of the Directory.

INTRODUCTION

The information presented in this directory will assist Criminal Justice and Alcohol Highway Safety personnel in the Commonwealth's sixty-seven counties in facilitating the inter-county referral of DUI offenders. The information is listed alphabetically by county and includes the primary contacts for the four principal areas of involvement with DUI offenders: Alcohol Highway Safety Programs; Adult Probation Services; Juvenile Probation Services; and Treatment Services for Substance Abuse. Also listed are the Alcohol Highway Safety Program services available in each county and current costs to the client for those services.

Because specific client referral procedures and requirements will vary from County to County and Agency to Agency, we offer some general guidelines for inter-county referral of DUI offenders:

(1) The initial contact via telephone and all subsequent telephone contacts should be confirmed in writing,

(2) all arrangements including methods and responsibilities for assuring client compliance with referral conditions should be finalized prior to actual physical transfer of the client, and

(3) cooperation between agencies is the principal factor for successful client referral.

Additional statewide resources have been added to this directory and are listed on page 3. These programs can provide information on DUI, occupant protection, pedestrian safety, motorcycle safety, bicycle safety, and other unsafe driving behaviors.

ADMINISTRATIVE PERSONNEL FOR
PROGRAM OPERATIONS

Pennsylvania Department of Transportation (717) 787-6853
Bureau of Operations FAX:(717) 783-8012
Commonwealth Keystone Building
400 North St – 6th Floor
