MASTER OF CEREMONIES JIM GREGG

The Planning Committee and PA DUI Association staff are pleased to introduce and welcome Jim Gregg back as the Master of Ceremonies for the 45th Annual Conference. Jim is currently a consultant and staff trainer with the Pennsylvania DUI Association. Jim is also a retired Corporal from the Pennsylvania State Police where he spent much of his time as an academy instructor. He has worked for multiple police agencies and municipal academies teaching a variety of subjects. Jim is a two-time DUI Top Gun Award recipient. He has presented at multiple Operation Nighthawks and many Annual Meetings. He currently maintains his certification as a Drug Recognition Expert and DRE Instructor. Now as a motivational speaker, Jim speaks to many groups from police officers to teens on the dangers of impaired driving. His passion is apparent with a new series of classes including presentations on emotional wellness for first responders. Buckle your seat belt. Jim will have you laughing or crying or both.

1A. Introducing Pennsylvania's Prevention

Learning Portal - *Presenter: Jordan Joyce, MPS, Program Manager at Penn State EPIS.* This presentation will feature Pennsylvania's new Prevention Learning Portal (PLP). The PLP is a one-stop shop to expand knowledge, build skills, and enhance capacity to apply evidence-based prevention approaches in your work and practice. Session attendees will learn what it is, how they can access it, and how it can be applied in the field of prevention across the Commonwealth. An interactive exploration of the new eLearning portal will be provided to feature the many opportunities within the PLP. Engaging discussion will also occur to discover how it applies to Pennsylvania's multiple state-level and community-level systems/communities. As a result of this session, participants will be able to: explain the Prevention Learning Portal and how to access it, register with the PLP and access free prevention resources and tools and enhance their role in prevention by returning the information to their communities.

1B. Preparation & Trial Presentation - *Presenter: Ande Gonzalez, Chief of Appeals & Legal Services, Office of the District Attorney of Lancaster County.* This workshop is designed to present strategies for success in preparing and presenting impaired driving cases at trial. Issues to be addressed include pre-trial preparation, Frye hearings, effective direct examination and testimony, as well as strategies for cross-examination. This workshop is designed for both officers and prosecutors handling impaired driving cases.

1C. Probation Reform and Its Foundation in

Evidence-Based Practices - *Presenters: April Billet, Deputy District Court Administrator - Chief Probation Officer, York County Department of Probation Services & Rick Parsons, Deputy Director, Carey Group.* This session involves a detailed review of recent statutory changes governing probation, including changes to eligibility criteria, duration, conditions, and the overall administration of probation and how these practices are grounded in implementation of Evidence-Based Practices. Evidence-Based Practices are research based tools proven to reduce recidivism, improve the lives of individuals interacting with the criminal justice system and create safer communities. This session will also familiarize participants with the practical application of evidence-based practices in community supervision in an evolving framework.

1D. AHSS Teaching Techniques - *Presenters: Cori Doughty, Court Administrator, Monroe County & Chris Shanley, Director, Allegheny County Pretrial Services.* In the era of digital learning, teaching a DUI class effectively requires familiarity with various online tools and platforms. This workshop will provide instructors with the skills needed to conduct DUI classes remotely using Microsoft Teams and Zoom, and to manage administrative tasks such as obtaining signatures with Adobe Acrobat Reader. This session will also suggest ways to improve the way you instruct in person classes. Join us to enhance your ability to teach DUI classes in a digital world. This workshop will equip you with the necessary tools and techniques to create a dynamic and interactive online learning environment, ensuring that your students receive the same quality education as in-person classes.

2A. Treatment, Recovery Supports, and Recovery Success - *Presenter: Dr. Aleisha Albertson, DHS, CCS, Regional Director of Inpatient Operations, Pyramid Healthcare.* This workshop will focus on a breakdown of treatment services available, including information on frequently addressed concerns and questions around treatment related issues. It will also include an overview of Recovery Support Services; how they work, what the benefits are, and what positive trends have been seen when utilizing this service. This workshop will include information from not only a substance use disorder professional, but from the perspective of a recovering person as well.

2B. Hallucinogens & Their Path to Legalization - *Presenters: Maggie Nunley, Regional DUI Program Administrator, PA DUI Association & Shawn Noonan, Regional DUI Program Administrator, PA DUI Association.* Hallucinogens & their path to legalization workshop will address the recent popularity of hallucinogen use and the progressive movement towards the legalization of certain Hallucinogens. It will address current topics such as, a brief history of Hallucinogens and their discovery, medical advancements of Hallucinogens in science and the medical community, popularity of use and substances most commonly used, and the current states of hallucinogen legalization. **This session is designed for DREs and Law Enforcement.*

2C. Marijuana User in AHSS & CRN - *Presenters: Cori Doughty, District Court Administrator, Monroe County & Chris Shanley, Director, Allegheny County Pretrial Services.* This workshop provides suggestions for instructors on how to teach DUI classes specifically tailored for offenders who only use cannabis and how to conduct CRN evaluations effectively. Participants will gain insights into the unique aspects of cannabis-related DUI offenses and learn best practices for evaluation and education. Join us to refine your approach to teaching DUI classes and conducting CRN evaluations for offenders who exclusively use cannabis. This workshop will equip you with the knowledge and tools to deliver effective education and evaluations, ultimately contributing to safer roads and more informed offenders.

2D. Current Drug Trends- *Presenter: Scott Davis, DRE, Former DECP State Coordinator, current SRO Milton Police.* Society's acceptance of drug use is drastically changing which is leading to many factors influencing drug use in American culture. We are experiencing new forms of drugs, legalization of drugs, and increased cases of drug dependence and overdoses rates. This course will look at society's view on drug use as well as popular drugs and their effects on the user. We will look at a range of drugs from legal vapes to the use of fentanyl and other deadly substances that impact our society.

P1a. Interlock for Law Enforcement - Presenters: Eileen Lee, Director, Ignition Interlock Quality Assurance Program, Corporal John Witkowski, DRE, Pennsylvania State Police, Cori Doughty, Monroe County District Court Administrator & Christopher Shanley, Director, Allegheny County Pretrial Services. Act 33 was passed in September 2016. This mandated first time offenders of DUI to have Ignition Interlock installed in their vehicle. What section do I cite for? What does the law specifically say? Are there different sections I cite for? What am I actually looking at inside the vehicle? Has the law changed since it passed? These questions will all be answered in this session.

P1b. Impaired Driving Case Law - Presenters: Ande Gonzalez, DRE, Lancaster County Assistant District Attorney & Nate Boob, Traffic Safety Resource Prosecutor, PA District Attorney's Association. This workshop is designed to present, interpret and discuss institutional issues related to traffic and drug and alcohol-related enforcement activities. Issues to be discussed include: DUI case law, implied consent, standardized field sobriety testing, Miranda issues, police liability and current decisions relating to safety issues. **This session is designed for Alcohol Highway Safety School professionals, Treatment and Prevention specialists.*

P1c. Updates for SFST, ARIDE & DRE Instructors - Dave Andrascik, PA DECP State Coordinator, Pennsylvania DUI Association. The SFST, SFST Refresher, ARIDE and DRE Curriculum was updated in 2023. There were some changes in the material, and there were changes in the instructor guides, formatting and power point slides. During this session, we will discuss the changes to SFST and ARIDE trainings, as well as discuss preparation techniques for successfully presenting the material in the newer formatting. **This session is designed for currently certified SFST, ARIDE & DRE Instructors.*

PLENARY SESSION #2 10:10 A.M.

P2a. Impaired Driving Case Law - Presenters: Ande Gonzalez, DRE, Lancaster County, Assistant District Attorney & Nate Boob, Traffic Safety Resource Prosecutor, PA District Attorney's Association. This workshop is designed to present, interpret and discuss institutional issues related to traffic and drug and alcohol-related enforcement activities. Issues to be discussed include: DUI case law; implied consent, standardized field sobriety testing, Miranda issues, police liability and current decisions relating to officer safety issues. **This session is designed for DREs and Law Enforcement.*

P2b. Driver Licensing Issues- Presenters: Eileen Lee, Director, Ignition Interlock Quality Assurance Program, Cori Doughty, Monroe County District Court Administrator & Christopher Shanley, Director, Allegheny County Pretrial Services. This session will focus on court and legislative matters affecting driver's license suspension for DUI offenders as well as matters regarding ignition interlock. Participants will have ample opportunity to ask questions. **This session is designed for Alcohol Highway Safety School professionals, Treatment and Prevention Specialists.*

P2c. Constitutional Encounters with Citizens Legally Armed on Traffic Stops - Presenter: Jim Gregg, DRE. The Uniform Firearms Act of Pennsylvania will be showcased as it relates to what police can and cannot do when they encounter legally armed individuals during the context of a traffic stop. Topics include the United States Constitution, the Constitution of the Commonwealth, gun laws related to vehicles, relevant case law, and civil liabilities and pending sanctions for the mishandling these types of situations.

3A. What Works in Prevention? Avoiding Ineffective Prevention Strategies -

Presenters: Grace Kindt, Prevention Section Chief, Division of Prevention & Treatment and Laura Suits Dolan, DHSC, MPH, Drug & Alcohol Program Analyst, Department of Drug and Alcohol Programs. As the science behind prevention grows, we've learned that not all prevention strategies are effective. Some strategies have been found to be ineffective or have very mixed or limited evidence that make their effectiveness unlikely or unclear. Join us to explore seven prevention strategies to avoid. Learn why they should be avoided and effective alternatives. This interactive session encourages open conversation and collaborative brainstorming, offering a unique opportunity to share insights and foster a collective understanding of successful prevention strategies.

3B. Hallucinogens & Their Path to

Legalization - *Presenters: Maggie Nunley, Regional DUI Program Administrator, PA DUI Association & Shawn Noonan, Regional DUI Program Administrator, PA DUI Association.* Hallucinogens & their path to legalization workshop will address the recent popularity of hallucinogen use and the progressive movement towards the legalization of certain Hallucinogens. It will address current topics such as, a brief history of Hallucinogens and their discovery, medical advancements of Hallucinogens in science and the medical community, popularity of use and substances most commonly used, and the current states of hallucinogen legalization.

3C. Drug Landscape 2024 - Presenter:

Stacy Phillips, Intelligence Analyst, FBI Pittsburgh. Drug trafficking trends observed nationwide with a primary focus on those applicable to Pennsylvania. Topics discussed will include discussions on drug trafficking organizations operating in PA (cartels and street gangs), drug types, and trafficking/concealment methods.

3D. How the PLCB and its Bureau of Alcohol Education Can Benefit Your

Community - *Presenters: Machel Drahnak, Education & Grants Management Division Chief and Loretta Witkowski, Alcohol Education Specialist, Pennsylvania Liquor Control Board, Bureau of Alcohol Education.* The Pennsylvania Liquor Control Board (PLCB) provides millions of dollars in alcohol education grants to communities, educational institutions and law enforcement agencies. The Bureau of Alcohol Education works to educate the public about the dangers of underage and dangerous drinking through a variety of other avenues, including a free annual alcohol educational conference, a prevention campaign – Know When. Know How. SM – targeted to underage drinking, the creation and distribution of a wide range of educational materials, Responsible Alcohol Management Program (RAMP) training and resources for licensees and training and technical assistance for organizations working to address the issues related to irresponsible alcohol consumption.

4A. Initiating & Sustaining Prevention and Rehabilitation Approaches for Driving Under the Influence - *Presenter: Brian McCauley, Director, Heroes Program at PA Recovery Center.* This workshop promises to provide valuable insights and practical tools to those dedicated to combating DUI and all those individuals involved with TEAM DUI. The workshop will equip participants with the skills and knowledge necessary to effectively initiate and sustain prevention and connection to professional treatment programs that reduce driving under the influence crimes. Recognizing the critical role of skilled leadership, this workshop will enable participants to learn ways they can help departments and organizations build effective programs.

4B. Roadside Interviewing & Re-establishing Rapport - *Presenter: Dave Kopenhaver, President, Integrated Impaired Driving Solutions, LLC.* How many times have we heard "two beers" as the answer to our main interviewing question? Why stop there? This workshop session will increase your communication skills and strengthen your DUI cases.

4C. Live Subjects - Under the Influence of Alcohol - *Presenter: Corporal John Witkowski, DRE, Pennsylvania State Police.* Have you ever wondered when the police report states that someone is twice the legal limit or greater? This workshop is going to demonstrate and explain how alcohol affects the body. The purpose of this workshop is to give an insight into the training that police officers attain, and to show what someone under the influence of alcohol has actually consumed to attain a certain B.A.C.

4D. A Video Walkabout: Vehicle Search, Seizure and Beyond - *Presenter: Nate Boob, TSRP, PA District Attorneys Association.* Examine prominent law enforcement issues in roadside search and seizure through a different lens. Take a walk through video analysis of what went right, what went wrong, and the constitutionality of it all. Help build strategies and develop best practices to ensure safety, constitutional evidence collection, and prosecution success.

CLOSING SESSION: BRYAN MCCAULEY & STEVE FORZATO

This session, "Understanding Addiction and Treatment Strategies," is designed to equip Police Officers, CRN Evaluators, Treatment Professionals, and Probation Officers with the essential skills and knowledge to effectively address substance use disorders within their communities. Participants will delve into the complexities of addiction, explore contributing factors, understand fundamental treatment modalities, and learn strategies for motivational engagement.

Join us for this essential workshop to deepen your understanding of addiction and enhance your ability to engage individuals in treatment. By collaborating across professions, we can build a supportive environment that fosters recovery and reduces the incidence of substance-related crimes, such as driving under the influence.
